

Self-Affidavit

You have applied, or have previously been accepted, to live in an apartment that is managed by Community Corporation of Santa Monica (CCSM). Regulatory Agencies require CCSM to certify all of your income, asset and eligibility information as part of determining your household's eligibility. Program requirements state we must verify each income and asset source as well as other claims of eligibility. We must determine this prior to granting your eligibility and each subsequent year you remain in the unit. Following is a declaration statement to certify certain facts relating to your application or tenancy which cannot otherwise be verified. A false or misleading certified statement will cause your application to be denied, or if you have already become a tenant, your tenancy to be terminated.
